

Arrival and Parking

Parking will be in the parking lot of the Cultural Arts Alliance of Cartersville (101 N Erwin St, Cartersville, GA 30120). When you arrive show your **parking pass (located on page 2)** to the parking lot attendant and then pull down towards the end of the lot. Each band is allowed parking for **two** vehicles. To access to the festival area you will go underneath the bridge, which will put you at the rear of the Firehouse Stage.

Green Room and Warm-Up

The DDA and Reformation Brewery have come together to offer a green room to the bands and their entourage. This will be on the 3rd floor of the train depot and is only for bands and their assistants. It is the responsibility of each band to ensure that all members who enjoy adult beverages in the green room are of an appropriate age to consume said beverages.

Bands will be able to warm up in the Welcome Center, which is on the first floor of the train depot toward the front of the building.

Bands need to have all members warmed up and stage left 15 minutes before start.

Payment

The stage manager at each respective stage will have the checks to pay the band. Ask for **Jamie Henderson** at the Depot Stage or **Rick McKee** at the Firehouse Stage.

Secure Storage for Instruments

If you would like to take some time to enjoy the festival without worrying about your instrument it is possible to store your instrument in the DDA manager's office. To access this area please see someone at the DDA tent, who will have keys to let you in.
