

## **Arrival and Parking**

Parking will be in the parking lot City Hall (10 N Public Square, Cartersville, GA 30120). When you arrive show your parking pass (located on page 3) to the parking lot attendant and then pull down towards the end of the lot. Each band is allowed parking for two vehicles.

## **Green Room and Warm-Up**

The DDA and Reformation Brewery have come together to offer a green room to the bands and their entourage. This will be in the Welcome Center which is on the first floor of the train depot and is only for bands and their assistants. It is the responsibility of each band to ensure that all members who enjoy adult beverages in the green room are of an appropriate age to consume said beverages.

Warm-up will also be in the Welcome Center. We apologize for any inconvenience, we are limited on space we can provide.

## **Payment**

The stage manager at each respective stage will have the checks to pay the band. Ask for **Jamie Henderson** at the Depot Stage or **Rick McKee** at the Firehouse Stage.

## **Secure Storage for Instruments**

If you would like to take some time to enjoy the festival without worrying about your instrument it is possible to store your instrument in the DDA manager's office. To access this area please see someone at the DDA tent, who will have keys to let you in.
